RE: **Code update – Drinking in Public**

Issues

Staff is in the process of planning and preparing for this year's 4th of July events which may include events with alcohol. Section 6-115, Drinking in public allowed, of the City of Cameron Code was last updated in 2013 and the existing code specifically details the events of 2013. This update seeks to add the flexibility for Council to be able approve events at times and locations of their choosing without the necessity of updating the Code for each and every such event.

Recommendation

Staff and Counsel recommend approval.
